Message from the Dean

Dr John Evangelista

Congratulations to the Graduating Class of 2021. The formal graduation ceremony took place on the 10th of June 2022 at 5:00pm. It was an opportunity to recognise the intense time of learning, commitment, and hard work of our students in their respective degree levels. It was also a time to thank the faculty, staff, and their respective whanau for accompanying them in their academic journey.

Feast of Corpus Christi

As we celebrate the Most Holy Body and Blood of Jesus Christ the Lord we are reminded of the words of Cardinal Joseph Ratzinger in 2002 when he delivered a lecture wherein he expounded on the topic of Eucharistic Ecclesiology: "For St Paul and the Fathers of the Church the idea of the Church as the Body of Christ was inseparably connected with the concept of the Eucharist in which the Lord is bodily present and which He gives us His Body as food. ... The Eucharist binds all men together, and not just with one another, but with Christ; in this way it makes them 'Church'. At the same time the formula describes the fundamental constitution of the Church: the Church exists in Eucharistic communities. The Church's Mass is her constitution, because the Church is, in essence, a Mass (sent out: "missa"), a service of God, and therefore a service of man and a service for the transformation of the world."

What's new at Colin Library

Mark Hangartner

And yet it moves.

This phrase attributed to Galileo at the end of his life, could describe the redesigned shelving in the Colin Library. Seven wheeled units each with 1000 book capacity sit in the middle of our open area. These are relatively easy to move around. At graduation we were able to store them away in a side room, the corridor between two compacta shelving units, to make room for food tables and guests. We do discourage ram raids but I think we could be open to some racing of library trolleys at the end of the year.

Congratulations to all 2022 Graduates
