What the prospectus is all about

Our Vision is a “humanity in love with the Person and Gospel of Jesus Christ”. The Catholic Theological College serves to develop leaders who are knowledgeable and well-formed in their faith.

This prospectus expounds how we form faith leaders intellectually, spiritually, and pastorally through our different programmes of study and related services. It also features testimonies and various career pathways which our students have followed to bring Jesus Christ in the lives of others.

Dr John Evangelista
CTC Director

Te Kupenga Catholic Theological College

We are the successor organisation to Good Shepherd College and The Catholic Institute. The resources and experience of these two institutions are now combined in a single tertiary provider aimed at formation for ministry and leadership.

We were set up by the New Zealand Catholic Bishops' Conference to develop leaders for the Catholic Community – in schools, parishes, social and pastoral services.

Catholic Theological College is the branch of Te Kupenga that deals with Tertiary Education. We provide courses at levels 5, 6 and 7 on the National Qualifications Framework.

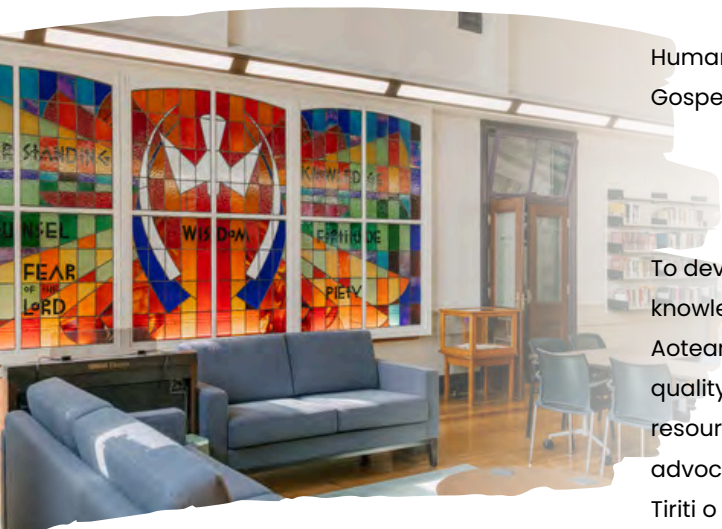

We are a Category 1 NZQA registered Private Training Establishment with a particular focus on providing courses for seminarians and for teachers in Catholic schools, yet open to anyone who wants to study the theological disciplines at a post-secondary level.

VISION

Humanity in love with the Person and Gospel of Jesus Christ.

MISSION

To develop Catholic leadership, knowledge and faith formation for Aotearoa New Zealand through high quality tertiary education, research, resource development and advocacy in a way that honours Te Tiriti o Waitangi.
