

Enrolment at the University of Notre Dame Australia

To do a paper in the Graduate Diploma of Theology or the Bachelor of Divinity at the Catholic Theological College in Auckland **you need to be enrolled as an international student of the University of Notre Dame, Australia.**

(We are the off-shore campus of the Catholic Institute of Sydney (CIS) which is partnered with the University of Notre Dame (UNDA) to deliver those papers).

There is no additional cost to this, (don't send any money to Australia!) but there is some work involved in following their several step online enrolment. It is a good idea to get started on this early.

It is a four step process.

1. Apply
2. Receive your offer
3. Accept
4. Enrol

New students can begin the application process. Their first move would be to submit an online application [here](#) and to make known their intention to enrol as a student of CIS (when asked 'Why did you choose Notre Dame / this program?').

That link should take you to a page looking like this:

Apply to Notre Dame

Apply through this portal for Undergraduate, Postgraduate and Research degrees, including applications for the Young Achievers Early Offer Program – Sydney and Fremantle Campus.

Tips to apply through our portal

Web browsers: For an optimum user experience, please use either Chrome or Firefox (latest versions). Please also ensure to have JavaScript enabled in your browser.

Email account: Please use your primary personal email address to create your account. It will be the email address Notre Dame will use to correspond with you about your application. If you are a current Year 12 student do not use your school email address as you will likely lose access later in the year and miss emails from us.

Email set-up: Please ensure '@nd.edu.au' is added to your safe senders list and that you check your junk/spam folders regularly. Do not use your work email address if it is behind a firewall.

Document size and compatible file formats: Documents uploaded to the application must be no bigger than 2MB each. Acceptable file formats are: pdf, doc, docx, PNG and jpeg.
