Video about using the Library and writing essays **Blackboard** <https://learnit.nd.edu.au/> Online resources

To note from UNDA:

Notre Dame ID – that is the eight digit number usually starting with 320 that you use when logging in. Please quote it in any communication with Notre Dame

Notre Dame email address. Your Notre Dame email address is your Notre Dame ID followed by @my.nd.edu.au

OKTA: This is an app that you install on your phone. Here's the ND page with instructions and links
<https://www.notredame.edu.au/students/support/it-support/accounts-and-access/mfa-and-okta-verify>

MFA = Multi-factor authentications = proving your identity via another device

Student Centre: Rather than trying to go straight to Blackboard, see if you can get into your portal on the Student Centre. One way in is: <https://www.notredame.edu.au/students/your-enrolment/student-centre> (then follow the link on that page). You may be able to get to your Notre Dame email through the Student Centre.

If you are asked to provide your **mobile number** at any stage then remember to put +64 (and drop the zero) so my 021 844 346 I would enter as +6421844346. **UNDA** website <https://www.notredame.edu.au/>

IT Support: If you can't get in please send a help request to IT support, follow the instructions for how to do so on this page: <https://www.notredame.edu.au/students/support/it-support>

The College **phone number** +64 9 361 1053. Mr Philip Doyle will answer also the The College **website** ctc.ac.nz
